Chroma Casa has been created to provide a comprehensive flooring solution for both large and small residential applications. Chroma Casa is a range of 3 different pile weights to provide architects and designers the opportunity to use the same aesthetic and colour within a design scheme, but at different price points.

Chroma Casa ranges Naturesque Dream, Mansion and Court SB, shown here in colour 4L17C, are available in any colour from a minimum quantity of 1 roll. You can easily choose colours from our extensive 1400 colour pom box, or we can match your particular colour and create the perfect project solution especially for you. Chroma Casa is made in the UK and a quick ship programme is available.

Any colour available from 1 roll minimum.

Available in: Chroma Naturesque Dream / Chroma Naturesque Mansion / Chroma Naturesque Court SB
